

Competitive solutions with unparalleled service, provided by an experienced team of insurance professionals.

Xenon Underwriting has a broad risk appetite, across all industry segments, with only limited declines, though our focus is medium to high hazard property risks.

We assess risks on an individual basis to ensure your client receives the right coverage and protection.

Policy wording

Xenon supports all major Industry ISR MK IV policy wordings. Optional endorsements can be included for specific risk exposures.

Our target industries include:

- ✓ Manufacturing (incl. Food & Beverage)
- ✓ Mixed construction buildings - EPS & ACP
- ✓ Storage, Distribution and Warehousing
- ✓ Mixed Property Owners
- ✓ Various other industries with complex risk characteristics

We specialise in providing meaningful line sizes on well risk-managed business.

Capacity: up to \$15,000,000
100%, lead and follow capacity available

Looking at your business in a different light
